

Our Disciples Christian Church Library became the Sheedy Library in 1974 when a bequest from Lois Sheedy provided funds to upgrade it. Mrs. Sheedy loved books and often sponsored special book reviews for the Christian Women's Fellowship. The new Fireside Library is a gift from the Duane Mayhew family in memory of his wife, Eleanor. The Library is funded by interest from the Sheedy bequest, by monetary or book gifts from members of the congregation and book-loving friends, and by a line item in our annual church budget. Our Librarians have included Betty Berlin, Margaret Beer, Pat Muetzel, and Rev. Cynthia Barnard-Sheldon.

Fireside Library

**Lifelong
learning**

How to Use the Fireside Library

- ❁ Most of the books and other materials in our Library are for circulation. To borrow any, simply sign the card in the back and then put the card of the book into the sign-out box on the desk. Anything you borrow should be returned within two or three weeks.
- ❁ Some materials in the reference section are for use only within the church building. These are well marked and do not have a sign-out card. Please use them here and don't remove them. If you

take them to another part of the building, please leave a note in the upper right-hand drawer of the desk.

- ❁ The books in the basket on the floor are not catalogued and do not have cards. They are books donated by Book Club members and other readers who are willing to share them. Feel free to take them to read and then return them to the basket. Remember that new books for the basket are always welcome.

This wonderful gift of a Library is yours to use and enjoy.

Have fun finding out what is available and use it in good health!
